THE NAVY ENVIRONMENTAL HEALTH CENTER (NEHC)

Announces

CALL FOR PRESENTATIONS

For The 44th Navy Occupational Health and Preventive Medicine Conference, 12-18 February 2005

Abstracts are being solicited for presentations for the February 2005 NEHC Conference in Virginia Beach, Virginia.

Purpose of the conference: To provide opportunities for professional and technical personnel from military, federal, state, local and academia to share information, discuss common problems, identify needs, and develop a course of action to improve Navy programs. Our vision is to provide high quality medical, bioenvironmental and health promotion learning opportunities in a stimulating atmosphere for scientific inquiry.

Papers for presentations are sought on:

Industrial Hygiene

Occupational Medicine

Audiology & Hearing Conservation

Environmental Health & Preventive Medicine

Entomology

Health Promotion

Chemical, Biological, Radiological & Nuclear Explosives (CBRNE)

Epidemiology (Clinical & Surveillance)

Radiation Health

Risk Assessment / Risk Management / Risk Communication

Aviation Medicine

Abstract Submission Deadline: 1 September 2004
